Challenges and Opportunities for Rural Development, 2026

The 5th *International Conference* ***Challenges and Opportunities for Rural Development (CORD 2026)*** is organised by the Department of Development Policy and Marketing, Faculty of Economic and Social Sciences, WULS-SGGW and will be held on November 25, 2026.

The event will provide a forum for the exchange of knowledge, views and research findings in the field of rural development. The organisers invite papers, on-line presentations and posters rethinking established theories and research methods as well as those identifying new fields of enquiry, proposing new concepts and research methods, and shedding new light on the reasons for and consequences of social, economic and environmental changes in rural areas and rural-urban relations.

The **conference is free** to attend.

Language of the conference: **English**.
